

## **MISSION STATEMENT**

*Updated – February 1, 2008*

The North American Thrombosis Forum (NATF) is a nonprofit organization that focuses on unmet needs and issues related to thrombosis and cardiovascular diseases such as deep vein thrombosis, pulmonary embolism, myocardial infarction, peripheral arterial occlusive disease, and stroke. The five areas of major focus are: 1) basic translational research, 2) clinical research, especially diagnosis and therapy, 3) prevention and education, 4) public policy, and 5) advocacy. NATF's legacy will be to improve patient care, outcomes, and public health by supporting thrombosis-related programs, such as novel research projects, innovative educational programs, public policy initiatives, regulatory issues and advocacy, and to broaden training opportunities for physicians, scientists, and other health professionals.

The North American Thrombosis Forum is a 501(c)(3) nonprofit organization incorporated by the state of Massachusetts in May 2006.

We are located at 1620 Tremont Street, Suite 3022; Roxbury Crossing, MA 02120.
